MannaGram, September 2024

Dear Friends,

From August 31<sup>st</sup> into the first week of September, continuous torrential rains resulted in catastrophic flooding in the states of Andhra Pradesh and Telangana. Over 300,000 people have been affected in over 1,000 towns and villages.

The government and various community organizations (including some of our churches) have done a lot of rescue and assistance work. Now comes the task of rebuilding and restoring. In the Andhra Pradesh and Telangana flood zones we have 150 Churches that were affected. Out of these, 30 have reported heavy damage and loss.

We would like to help them rebuild and to regain some of the loss. Would you join with us to help? Every gift will make a difference as will every prayer on their behalf. Thank you for standing with us.
