Our Dearest Friends,

To say 2024 was a challenging year would be an understatement but with God's grace and provision, your prayers and encouragement we have kept moving forward. We have been through unprecedented financial challenges, natural disasters, and increasing persecution. We are grateful to each one of you for your prayers, words of encouragement and support that have sustained us. We know that each challenge has prepared us for greater work ahead.

Our Children's work continues to bring hope to those who are marginalized or fall between the cracks. You give every child that is helped a chance to dream and to pursue that dream. Because of you there are tens of thousands of children who were fed, clothed, educated and today are productive citizens of India.

The authorities continue to place more and more requirements on us, and we are trying to fulfill them as best we can. For example, the government authorities have asked that we have 20 staff for 30 children which is just not feasible. Please pray for us as we seek to bring the best benefit and opportunities for these children.

Our medical outreach brings basic medical care for those in need. We help with love and dignity those affected by leprosy. Due to financial constraints, we have had to limit the number of clinics but continue with General medicine and Dental. We are grateful to a generous Doctor and his family who in honor of our Founder does general physical checkups for all our Pastors at our annual conference.

The ministry of our Churches, Pastors and Evangelists continues faithfully in the face of growing adversity. Truly our people put their lives on the line for the sake of the Gospel. We have incidents where we face physical violence, structural violence and societal violence. Much of the population is peace loving and tolerant. Please pray for us, for our safety and freedoms.

We are grateful to the rising next generation who have caught the vision and are blazing forward. We recently had our Manna Mega fest (ages 16-30) where 3,000 came together, worshiped together and went back energized to fulfill their God given destinies. Not only did they plan and conduct the event but even raised the finance. The future looks bright! ★

COVID took a toll on some of our smaller branch congregations resulting in consolidation of many into the local larger congregation. However, we are seeing a trend of growth once again and looking forward to the day soon where we will have a Manna Church in every state of India. We are in 26 out of the 28 states and 5 out of the 7 territories. We also are in 3 other nations globally. We are grateful to all our dear brothers and sisters who stand in the gap for us and support this work.

Dear Ones, Please let us show our love and appreciation by praying for you! Send us your prayer request today.

Recently we shared with you the natural disaster of floods that took place. We are so grateful to many who responded and generously gave. We have started to rebuild where damage was done, gave assistance to many families and will continue to do so as we are able. With your help we also brought relief supplies to those victims of religious and ethnic violence in Manipur. On their behalf, "Thank you"!

Flood Relief

Motorcycles for Pastors

Manipur Relief

As we close out this year, we are thankful to God and to all of you our dearest friends. Together we are truly making a difference. You bring hope, health, sustenance, education and opportunity with every prayer and gift-for today, tomorrow, and the generations to come!

On behalf of Rachel J. Komanapalli and the Manna Family,

Sudarshan

Sudarshan Jyoti Komanapalli
Chairman, Manna Group of Ministries
